- 4.1 Neither we, nor any of our associates, will at any stage provide you with any investment or tax advice or personal recommendations in respect of your portfolio or your decision to invest. We shall not be liable for any losses you incur as a result of acting or deciding to act on the advice of any third party, including your adviser, in relation to our services.

 - 4.9 We accept no responsibility for monitoring any ongoing service which may be provided to you by your adviser.
 - 4.10 It is your responsibility, or that of your adviser, to ensure that your financial circumstances, objectives and attitude to risk are reviewed regularly and to ensure that your Service remains suitable for your needs.
-

5. Discretionary Agreement & Reporting

- 5.1 By entering into this agreement, you grant WM Capital Management Ltd the exclusive right to manage your portfolio at our sole discretion, including shareholder voting, and without prior reference to you or your adviser and to select and manage investments which we reasonably believe at the time of acquisition to be qualifying investments, subject to the investment objectives and restrictions which apply to your service as set out in the brochure.
- 5.2 The overall objective of the portfolio is to invest in shares listed on the AIM market that qualify for Business Relief. Investors can choose to invest in a portfolio to maximise growth or one which provides a balance between income and growth.

- 5.3 There is no restriction on the amount invested in any single investment, or on the proportion of your portfolio in any single investment, or any particular type of investment, but it is intended that your portfolio will typically hold between 25 and 45 shares.
- 5.4 If we sell investments on your behalf, there are potential tax implications, which you should speak to your adviser about.
- 5.5 We cannot under any circumstances be held responsible for creating any tax liability.
- 5.6 You acknowledge receipt of and confirm your understanding of the brochure and the risk factors set out in it.
- 5.7 You acknowledge that we have not provided you with advice about the suitability of this product for your requirements.
- 5.8 You warrant that you have legal power and authority to enter into and be bound by the agreement and that all information you have provided to us is true, accurate and complete in all material respects and that you have not omitted any information which may be material in respect of your Unicorn AIM IHT & ISA Portfolio Service. We will have no responsibility or liability to you if the information is untrue, inaccurate, or incomplete in any material way, except in the case of our own negligence, wilful default or fraud. You agree to notify us in writing as soon as reasonably practicable if any information you have provided needs to be updated or is no longer correct.
- 5.9 The investment objectives and restrictions applicable to the Unicorn AIM Inheritance Tax & ISA Portfolio Service, as set out in the brochure, will not be treated as breached as a result of events or circumstances beyond our reasonable control.
- 5.10 You should be aware that the investments in your portfolio are unlikely to be readily realisable, which means that it may be difficult, or in some cases impossible, to sell them.
- 5.11 You will be able to access your portfolio at any time through the WM Portal. This will be password protected and will provide information on the valuation of your portfolio, transactions and fees taken. This facility will be available to you when your portfolio has been set up on the platform.
- 5.12 We will also send you, on a quarterly basis, a valuation of your portfolio, a list of all transactions during the period, including fees deducted and a summary of how your portfolio has performed. This will be sent by email or to your IFA to forward to you if you do not provide an email.
-

6. Variation & Assignment

- 6.1 We may at any time change these terms by giving you written notice.
- 6.2 You will be given at least 30 days' notice in respect of any changes to these terms, unless the specific circumstances require a shorter or longer period, including where required to do so under the applicable rules.
- 6.3 We may assign this agreement to any appropriately authorised and regulated person, such assignment being effective upon written notice to you.
- 6.4 The agreement is personal to you and you may not assign it.
-

7. Termination

- 7.1 Should we decide to terminate these terms, we will do so by giving you not less than 30 days' prior notice.
- 7.2 Where required to do so by the relevant rules or where it becomes impossible, impractical or unreasonable for us to continue to manage your portfolio, we may terminate these terms immediately, in which case you will be notified in writing. In such circumstances, we will make arrangements to either transfer the assets in your portfolio to you, or appoint another investment manager in our place.
- 7.3 We will terminate your portfolio after two months if it is inactive, where there is a nil balance in the portfolio.
- 7.4 If you wish to terminate your Unicorn AIM IHT & ISA Portfolio you should notify us in writing and your portfolio will be terminated as soon as practically possible. Any transactions already initiated before we receive your instructions will be completed.
- 7.5 We cannot arrange the transfer of the assets within your portfolio with our custodian, until all amounts due to us have been paid, and you have given us written instructions confirming what you would like us to do with your portfolio investments and cash. If qualifying investments are sold, you will lose any potential entitlement to the business property relief.
- 7.6 The agreement, including the payment of all fees by the portfolio, will continue to apply until all outstanding transactions and liabilities have been completed and discharged. Where we are required to sell investments held in your portfolio, this may take place over an extended period of time as there may be limited liquidity in respect of the investments in your portfolio. If we are required to liquidate your portfolio, we cannot guarantee that we will be in a position to obtain the best result for you in accordance with our order execution policy.
- 7.7 After all outstanding transactions have been completed, you will be provided with a closing valuation of your portfolio. Our responsibility for managing your portfolio will then cease entirely. Your investments will continue to be safeguarded by our custodian, in line with their Investor Terms, clause 51 outlining the termination arrangements.
- 7.8 On termination, you will be liable to pay:
- All fees and charges accrued daily up until the date of termination.
 - Any additional expenses necessarily incurred by us in liquidating your portfolio, closing out any transactions, or settling or concluding outstanding obligations incurred by us on your behalf.
 - Our charges in connection with transferring or registering your portfolio into your name as you may direct.
- 7.9 Termination will not affect accrued rights, or any contractual provision intended to survive termination.
- 7.10 You are entitled to withdraw the assets and/or cash from your Unicorn AIM Inheritance Tax & ISA Portfolio Service at any time by instructing us in writing at Customer Service Centre, Unicorn AIM IHT & ISA Portfolio Service, 8 Thorpe Road, Norwich, NR1 1RY.
- 7.11 If rather than having your assets transferred to you, you would prefer that we sell your investments on your behalf (assuming your investments can be sold) and transfer the sales proceeds to you then you must provide written instructions to that effect to the above address.

- 7.12 Where you instruct us to sell assets, you should be aware that investments may not be readily marketable and the timing of any sale cannot be guaranteed. Ordinarily, investments within AIM companies are usually realised within ten working days, however, large transactions may take longer.
- 7.13 In the event that we are unable to sell your investments within six months of your transaction, they will be transferred to you.
- 7.14 Where you elect to withdraw or transfer investments, third party administration costs and/or custody fees may apply. If you fully withdraw funds from any of your portfolios we may deduct our annual management charge and any accrued adviser charges prior to the closing of the portfolio.
-

8. The Commencement of Your Unicorn AIM IHT & ISA Portfolio

- 8.1 We will commence investing your Unicorn AIM IHT & ISA Portfolio when we have received and confirmed acceptance of your completed application form, have successfully undertaken the customer due diligence checks required by the applicable rules and James Brearley & Sons Limited has received your cleared funds.
- 8.2 We reserve the right not to accept your application where doing so may lead to a breach of the applicable rules.
-

9. Communications

- 9.1 All of our communications with you and any documentation and information that we provide to you will be in English.
- 9.2 Any instruction in respect of changes to the important information which we hold about you must be given to us in writing at Customer Service Centre, Unicorn AIM IHT & ISA Portfolio Service, 8 Thorpe Road, Norwich, NR1 1RY. This information includes: your address details, your bank details, and any instructions to withdraw money or investments from your portfolio.
- 9.3 You can give us instructions in relation to the provision of our services either in writing or by telephone. Any telephone calls may be recorded and we reserve the right to only act upon such instructions at our discretion, where we believe that the instruction is genuine.
- 9.4 We will rely upon the information that you provide, unless we become aware that the information is inaccurate, incomplete or out of date, which includes the information provided in your application form.
- 9.5 We may not be able to provide services to you if you do not provide us with the information requested in the application form, or any additional information which we request.
-

10. Trusts & Trustees

- 10.1 If you are a trustee of a trust, any reference in these terms to you as a client shall be construed, where appropriate, to any one or more of you.
- 10.2 We will hold all trustees jointly and severally liable under this agreement.

- 10.3 We shall be entitled to assume that if you are a trustee(s) of a trust, you have full power to deal in the assets of the portfolio being trust property and we shall not be liable to the beneficiaries of the trust for any action that we properly take on your behalf.
- 10.4 You must inform us promptly when a trustee dies or retires. In this event, the remaining trustees remain bound by these terms. You must also inform us promptly when a new trustee is appointed, and provide us with any documentation that we require to evidence such an appointment.
-

11. Dealing

- 11.1 When we execute orders on your behalf whilst carrying out the management of your Unicorn AIM IHT & ISA Portfolio Service, we take all reasonable steps to achieve “best execution”. We maintain a best execution policy which is in accordance with our obligations under the FCA rules and which can be requested at any time. By accepting the agreement, you consent to our policy.
- 11.2 Execution of orders within your Unicorn AIM IHT & ISA Portfolio Service will be executed by James Brearley & Sons Limited, which maintains best execution policies in accordance with its obligations under the FCA rules and which can be requested at any time. By accepting the agreement, you consent to their policies.
- 11.3 We may aggregate the orders for your Unicorn AIM IHT & ISA Portfolio Service with those of other customers, associates or persons connected to us, but only in accordance with the applicable rules. It is likely that the effect of such an allocation will not work to your disadvantage. However, occasionally this may not be the case. We will allocate aggregated transactions promptly and on a fair basis, in accordance with our aggregation policy, a copy of which is available upon request.
-

12. Phased Investment Option

- 12.1 After deduction of initial fees and an amount to cover annual management and adviser fees, we will invest circa 1/6th of the amount deposited into the phased investment option each month for 6 months. As we have to buy whole shares, the amount invested each month is unlikely to be exactly a 1/6th but should be close to.
- 12.2 Investments will be made within 3 working days of the 1st of each month, i.e. between 3 days before and 3 days after the first of the month.
- 12.3 Full fees will be paid on the total amount deposited into the phased investment option from day 1 and not just on the amount invested.
- 12.4 For the Phased Investment Option, the two year clock to obtain business relief will not apply to cash held in the portfolio but from the date cash is invested into each qualifying share.
-

13. Death

- 13.1 Our authority will not be affected by your death and we shall continue to manage your portfolio on a discretionary basis in accordance with these terms until we have received any instructions to the contrary from your personal representatives upon receipt of probate.

- 13.2 No instructions will be accepted in relation to the withdrawal of funds from the portfolio until probate has been obtained, after which your personal representatives may instruct us to sell, transfer or otherwise dispose of your investments.
-

14. Adviser Fees & Commission

- 14.1 Your adviser's charges will, depending on the relationship with your adviser, take the form of a commission that is agreed between you and your adviser, and is paid directly from your portfolio, or a separate adviser charge, where a payment will be paid directly from your portfolio to your adviser on your behalf.
-

15. Portfolio Charges

- 15.1 The brochure clearly sets out all of the fees and charges that will apply to your portfolio.
- 15.2 A dealing fee is payable to WM Capital Management Ltd, full details of which are set out in the application form and/or brochure.

- 15.4 An initial charge may also be applied to your Service, full details of which are set out in the application form and/or brochure.
- 15.5 You shall pay the fees and charges applicable to our services as set out in the application form and/or brochure. Fees and charges will be charges with appropriate taxes, e.g. VAT, applied.
- 15.6 The annual management charge will be deducted monthly from any cash in your portfolio. In circumstances where there are insufficient monies available to meet our annual management charge then we may at our discretion choose to either roll this up interest free to be deducted proportionally across the portfolio on a later occasion when sufficient monies may be available to cover such charges or liquidate a sufficient amount of assets proportionally across the portfolio in order to meet such charges.
-

16. Adviser's Charges

- 16.1 Your adviser will have informed you of the total charges that relate to the advice that they gave you to invest in your Service.
- 16.2 Any initial adviser charges will be deducted from the amount of cash that you subscribe before the balance is invested in your portfolio. The amount deducted will be agreed between you and your adviser.

- 16.4 You may withdraw your consent to the payment of your adviser's charges at any time in writing. The charges will cease as soon as we receive your instruction but they cannot backdate any instruction.
- 16.5 Your instruction will be valid only from the date of receipt and your adviser will be paid the charges that you authorised up until the date of the receipt of your instructions.
- 16.6 If you change your adviser and want to start paying charges to your new adviser, you should inform us in writing. As above, your instruction will be valid only from the date of receipt and your adviser will be paid the charges that you authorised up until the date of the receipt of your instructions. Your new adviser's charges will start accruing from the date your instruction is received.
